ABOUT US

### **PROFILE**

I am a native **Italian** professional translator with **an extensive work experience** in **technical fields**. I've also been building a strong expertise by working as an **assistant** and a **translator** in each of my specialist areas for over 14 years. Experienced in Ms Office and Translations Tools (CAT Tools and Translation Memories), I am also dedicated to pursuing personal development and knowledge of my specialist areas.

I am accurate, professional, proactive and simply...committed to excellence! My mission is to help businesses break the language barriers that hamper they development abroad.

I also work with a team of professional translator which allows me to propose **15 + languages** (Chinese, Russian and Arabic included - co-working with highly qualified translators).

### **My Specialist Areas are:**

Electronics, engineering & domotics

Commerce & Marketing

Cosmetics & Beauty

Tourism

Leisure Boats & Sailing

Banking

### **Some of the documents I can handle:**

Bills of sale; Statements of truth; Declarations of assets; Statements of compensation balance etc.; All kind of certificates; Contracts of avaiement – Products specifications, installation and user manuals

Technical specifications (leisure boats, alarm systems etc.); Online-published "boat(s) for sale" advertisements etc.

Slogans and newsletters

Beauty products packaging and catalogues; Training programs, massage techniques and specific documentation dedicated to masseurs and therapists; Beauty Centres and Spa descriptions/operating methods etc.

Marketing and customer satisfaction surveys

Corporate documentation etc.

Specialised Internet content for luxury hotels and tourist services (B&B, luxury hotels, companies specialised in domotics, cosmetics etc.)...

### **Services EN/ES/FR > ITA & 15+ languages:**

3. Be provided with top-notch services and a responsive customer-care at the same time!

\*. Peace of mind because...

1. I am qualified to translate your texts
2. I am an expert in your target market(s)
3. I love what I do and I do it because being part of a success story (yours) is extremely fascinating and rewarding!
4. My professional translation tools allow me to:

- a) save time for both of us
- b) provide you with the quality translations you expect
- c) ensure consistency between your various texts
- d) avoid errors

4. I deliver a finished product (translated and proofread)

\*. Varied multilingual offer because...

I work with a network of expert translators and professionals in each area of specialisation.

\*. Privileged relationship

Personalised, fast and efficient communication (no intermediaries).

\*. Complete confidentiality assured because...

I respect both your profession and mine.

\*. Quality of translation guaranteed because...

My reputation and your satisfaction are extremely important to me.
