ABOUT US

Development Agency VSC HRAST Ltd. has been founded in 2007 as a nonprofit organization with a limited liability. The Vukovar-Srijem County is the only founder and owner of the organization.

The Agency has been founded and it operates with a purpose of economic development of the county. The Agency mission is implementation of county's development strategy, improvement and coordination of existing development activities, and planning of development according to the Strategy of Development of the Republic of Croatia and EU demands.

The Agency vision is "to be a dynamic and respectable institution which fosters development of Vukovar-Srijem County and provides users and regional environment variety of useful services, contents and programs". The Agency vision is accomplished by developing new services in a close cooperation with partners and users, continuous improvement of Agency's human capital, and implementation of quality politics.

The Agency has a team of specialized people who supports developing processes and contributes to the Vukovar-Srijem County improvement. Specialized and quality human resources are the backbone of a long term region progress, and for continuous encouragement to enhance knowledge and skills through specialized education.
