## APLAW Law Firm

**Artur Piechocki**, Attorney-at-law

- [Organisation Information](#)
- [Cooperation Profiles](#)

### ABOUT US

Among APLaw Law Firm there are Clients operating in the TMT sector including E-commerce, cybersecurity and privacy protection, transportation as well as Clients from other sectors such as real estate, healthcare, food, chemical and cosmetics.

Thanks to cooperation with Clients from various geographical regions, mainly Europe, Russia, Japan and China, we can tailor our services to various legal needs and cultural challenges. Our **Spanish Desk** provides legal services to Spanish Clients planning investments or currently active on the Polish market. We also advise Russian Clients via our **Russian Desk**. This gives our Clients more security during their decision-making processes, and a broader view of the international aspects of their investments and projects.
