

Dear colleague,

I am writing to you to kindly let you know that the **Universidad de Jaén** will be happy to host new researchers within the framework of the **H2020 Marie Skłodowska-Curie postdoctoral fellowships** (MSCA-IF 2016).

The **application form** is available at <http://bit.ly/1oEAeIU> and the submission deadline is 14th September 2016. For further information on the application requirements, please refer to the MSCA Manual at <http://bit.ly/1I7Hp3Y> and the WP at <http://bit.ly/1I7Hp3Y>.

In order to be able to apply for a MSCA-IF grant for researching at the Universidad de Jaén, all applicants will need to previously **contact a UJA researcher** so that a common field of research can be defined. The lists of UJA Departments and Research Groups are available at <http://bit.ly/1pE8D3W> & <http://bit.ly/1Td6GU1> respectively. If you prefer, the International Project Office (OFIPI) at the Universidad de Jaén can help you with your scientific supervisor search (ofipi@ujaen.es). Besides, the OFIPI will offer support throughout the proposal preparation process and will assist all beneficiaries regarding their mobility to Jaén (<http://www.jaenparaisointerior.es/>) as a Euraxess Contact Point.

Apart from the above-mentioned supervisor search option, please find below a **list of UJA MSCA-IF 2016 positions** that are already available online at <http://bit.ly/21misRd>:
